Who is selected?

Selection of recipients depends on various factors. Financial need, especially where it is not readily available through other financial aid sources, is also a key factor. Academic merit is also considered, but is not critical as long as a 3.0 GPA has been maintained throughout high school, or a 3.0 has been maintained so far at the college or university level.

Application Requirements

When filling out the application, you must:

- Include an updated high school or college transcript, including the most recently completed semester.
- Include two letters of reference from non-family members verifying the student's character, need, merit and circumstances. These letters must accompany the application.
- Include a one-page explanation of the student's life circumstances (including why a scholarship is needed and reasons for attending college.) The more that is explained the better.
- Include a written statement on 1) How your Tribal tradition and culture has influenced your life. 2) How your Tribal tradition and culture fit into your college and/or career goals.
- **Your application will not be accepted past the June 5, 2019 deadline.**
- **Your application will not be accepted if it is incomplete.**
 - **Be sure it includes all of the items listed on the application.**
 - **Plan ahead for things that may take extra time: transcripts, and letters of recommendation.**
 - **Use the checklist.**
